

Gentling Dental Care

We at Gentling Dental Care want to assist you in every aspect of your dental care. Filing your dental claims is no exception. Although Gentling Dental Care is out of network with all insurance companies, we will be happy to assist you in filing your dental claims. Your insurance policy is a pre-determined arrangement between your employer and the insurance company. We are not a party to that contract. Any services rendered in our office are ultimately the financial responsibility of the patient that receives treatment.

We have many different options to help assist you for payments. Please feel free to ask any members of our staff to help you in deciding what payment options work best for you.
